Make a difference in the LGBT community

You're not like most people where your career is concerned. You're willing to invest as much time and emotional energy as it takes in order to learn new skills, gain experience, and build connections. You enjoy solving problems and helping others. You understand that the most successful and fulfilling careers allow you to bring your whole self to work and don't interfere with your private life. MassMutual gets that, too.

MassMutual is currently looking for Financial Services Representatives* interested in serving the Lesbian, Gay, Bisexual, and Transgender (LGBT) community. It's a largely underserved market that can offer rewarding opportunities for the right individual. Because issues like marriage, adoption and workplace equality may present financial challenges, members of the LGBT community need sound advice when making financial decisions – and MassMutual has the products and services that can help.

A career as a MassMutual Financial Services Representative offers new challenges every day. If you have confidence, ambition, and an entrepreneurial spirit coupled with a passion for helping your community, then use those talents to succeed in this field!

* Financial Services Representatives are independent contractors and are not employees of MassMutual, its subsidiaries or of the General Agent with whom they contract.

MassMutual continues to work hard to improve Lesbian, Gay, Bisexual, and Transgender inclusion both inside and outside the company. MassMutual was among the first corporations to participate in the historic Amicus Brief filed in opposition to DOMA (Defense of Marriage Act) and has been in the forefront of LGBT inclusion through its thriving Pride Employee Resource Group; membership in the Human Rights Campaign's (HRC's) Business Coalition for Benefits Tax Equity; and its support of legislation acts, such as An Act of Gender Equality and an Act Relative to Implementation of the School Bullying Law.

In 2014, MassMutual ranked as number three by DiversityInc. on the "Top 10 Companies for LGBT Employees" and, for the fourth year in a row, was named to its "25 Noteworthy Companies." MassMutual also was proud to sponsor the Gay Games IX in Cleveland/Akron. Other sponsorships include the National Gay & Lesbian Chamber of Commerce and Out and Equal Workplace Advocates; MassMutual continues to receive a 100-percent score on the HRC's Corporate Equality Index.

We'll help you get there.®
